

## **Standing Committees & Chairs**

### **Outreach Committee**

The Outreach Committee shall be responsible for seeking and/or planning outreach activities to implement the needs of residents in Calumet City and communities. The activities should fulfill the mission, goals and objectives of the organization, support and provide assistance to those needing it the most, and assist in providing a better lifestyle for individuals and families.

### **Event Committee**

The Event Committee shall be responsible for the planning, organizing and implementing events. All events pursued by this committee must be approved by the President, Executive Board members, and/or general membership of the organization.

### **Scholarship Committee**

The Scholarship Committee shall be responsible for implementing a scholarship program for graduating high school seniors to be used toward the financial assistance at the attending university, college, or trade school expenses. The scholarship will be paid directly to the institution on behalf of the student. The scholarship program will be active based upon the availability of funding in the organization's budget.

### **Fundraising Committee**

The Fundraising Committee shall be responsible for a variety of activities and events for the purpose of raising money to achieve the organization's mission. Our mission strives to make a better life for residents, a safer community environment and opportunities for networking within the community and neighboring communities. The Fundraising Committee is comprised of the Executive Board and block club members.
